

Senior Citizen Deferral

The Senior Citizen Deferral is available to persons who are 65 years of age or older on January 1st of the payment year. The property to be assessed must be homestead and the annual principle and interest on the assessments must be in excess of 1 1/2 percent of the owner's annual income.

This deferral is not for all special assessments. Please call the City if you wish to apply. The applicant should be aware that the interest on the assessments accrues and would have to be paid current when time as the parcel is sold, upon the death of the applicant, loss of the homestead status or if the owner is no longer determined to be in a hardship category.
