

Robbinsdale Police Neighborhood Watch

**WE ARE LOOKING FOR
RESIDENTS WHO ARE
INTERESTED IN JOINING
THE NEIGHBORHOOD
WATCH PROGRAM**

What is Neighborhood Watch?

- A neighborhood watch program is a group of dedicated residents who join together to place more “eyes and ears” on their neighborhood.
- Neighborhood watch groups work closely with the Robbinsdale Police and are effective in reducing crime.
- Neighborhood watch groups send a clear message to criminals that crime will not be tolerated in their neighborhood.

Why Should I Join?

- It works. In today’s society many residents live busy lives and are often away from home. An active neighborhood watch program allows neighbors to watch other homes and report crime and suspicious activity to police.
- Throughout the country, police have noticed a reduction in crime in neighborhoods with active neighborhood watch programs.
- Neighborhood watch programs build neighborhood pride and allow residents to establish a working relationship with the police.

How Do I Join?

- Speak with your neighbors and determine their interest in establishing a neighborhood watch program.
- Select an individual to act as a “block captain” who will coordinate the program.

- Contact the Robbinsdale Police and ask to speak with the Police Community Action Coordinator.
- Establish a date and time for the first meeting. A representative from the police department will be on hand to answer questions and provide advice.

What are the Requirements After the Program is Started?

- Maintain communication among neighbors and discuss any issues that have been observed.
- Hold periodic meetings with your neighborhood watch group members. Request that a representative of the police department attend if desired.
- Report crime or suspicious activity to the police by dialing **9-1-1**.
- Sign-up for email crime alerts and stay informed of crime trends occurring in the city.

For Additional Information

- For additional information on how to start a neighborhood watch program, please contact:
