

Robbinsdale 2024 Fall Bareroot Tree Species Options Available for Boulevard or Right of Way Plantings

Trees are planted by the Forester as bareroot trees and range from roughly 5 to 10 feet tall at planting time. To request tree(s) for your boulevard or right of way if no sidewalk (up to 12'-15' back from the edge of curb) please contact the City Forester/Natural Resources Specialist, Stephan Papiz, at 763-531-1273 or at spapiz@ci.robinsdale.mn.us
