## Greetings!

My name is Joel Ginn, I am thrilled to be the new Recreation Supervisor for the City of Robbinsdale. I am originally from Northwest Indiana and a graduate of Purdue University. While pursuing my degrees in Health, Physical Education and Movement & Sports Science, I began working part time in recreation centers on campus. This part time job became a full-time passion. I discovered an appreciation for providing people of all ages a trusted, reliable, and safe place to explore new programs and activities or continue to grow in activities they have always enjoyed. I also have experience as a teacher and have coached many different sports, most recently a Football Coach at Carleton College. These experiences have built upon my knowledge of multiple sports and activities. In this position, I will be responsible for planning, developing implementing and managing youth and adult programs and leagues. Having access to programs and activities that represent and celebrate the diversity and people of the city of Robbinsdale are essential to me. I will work thoroughly to help make meaningful memories for the members of this community. I look forward to meeting the wonderful people of Robbinsdale, learning more about the city, and playing an important role in growing the Recreation program.

Joel Ginn, Recreation Supervisor

*"Recreation is not just about playing games; it's about building relationships, taking risks and creating a healthy society."*

## RESOURCES

### REGISTRATION FEE ASSISTANCE

Financial assistance is available for activities offered through Robbinsdale. Some joint city sponsored programs may not be eligible for assistance. Applicants are asked to pay a minimum of 50% of the activity fee and the remaining balance will be covered through financial assistance. Good for one program, per applicant, once each quarter (Spring, Summer, Fall, Winter). Applicants must re-apply each quarter, 10 days prior to program start date. Anyone living in Robbinsdale is eligible. Contact Recreation Services.

### REACH FOR RESOURCES, INC.

Reach works with the City of Robbinsdale's Recreation Department to provide an extra staff person at a program when a person with a disability requests additional accommodations to be successful.
