Beyond the Yellow Ribbon

Quad Communities Yellow Ribbon Network

The Quad Communities Beyond the Yellow Ribbon Network is a grassroots citizen group that engages our communities in support of Military members, Veterans, and their families.

Our purpose is to ensure that our military members and their families will never have to face life's daily challenges without the support of their friends, neighbors, and their communities.

What it means to be a Yellow Ribbon Community

The Beyond the Yellow Ribbon initiative was launched by Adjutant General Larry Shellito to ensure that military members deployed after 9-11 would not return home and endure the treatment that Vietnam War veterans experienced.

The initiative expanded to include stronger community-based support networks for families affected by the stress of long or frequent deployments.

Minnesota's Beyond the Yellow Ribbon program is a model for how communities can recognize the sacrifices that military families make on your behalf. In June of 2014, Beyond the Yellow Ribbon Quad Communities completed the process of partnering with civic leadership, public safety, faith organizations, and schools and was certified as a Yellow Ribbon community group by Governor Mark Dayton.

We are a 501(c)(3) non-profit and all of the help we provide is either voluntary or funded by donation. If you would like to make a tax deductible donation (one time or recurring) please contact us at one of the numbers provided on the back leaf.
